

CORTINA/VENICE

March 9 - 20 FSC European Trip
Full Package \$2,920

There is nowhere quite like Cortina. A famous racing town and host of the 1956 Olympics, it certainly has some serious skiing. But it is also Italy's most fashionable resort, and many visitors take their lunching and early-evening parading/shopping more seriously than their skiing. The result is that pressure on the slopes is low. No queues, no crowds, pistes rarely reduced to boilerplate by heavy traffic. We have had some of our most enjoyable piste skiing here.

Venice is a city in northeastern Italy and is situated across a group of 118 small islands that are separated by canals and linked by 400 bridges. The islands are located in the shallow Venetian Lagoon, an enclosed bay that lies between the mouths of the Po and the Piave rivers. Parts of Venice are renowned for the beauty of their settings, their architecture, and artwork. The lagoon and a part of the city are listed as a UNESCO World Heritage Site.
