Thank you for Volunteering to participate in a FUN, FUN, FUN day at the park. Let's get out and do some cooking!

TEAMS: A team can consist of 1 - 4 per team for a combined effort or sign up as an individual. You are responsible for providing the ingredients needed and making your own food.

Stand Name: Please give your stand a name that describes it, so those eating will have some idea of what to expect. Some examples: Blasting Burritos, HOT Pepper Chili, Terrific Tamales, etc.

Cooking: Please have your food cooked and ready to serve between 2:15 PM – 2:30 PM. You can bring it in a crock pot, large soup pot, heavy foil pans, etc. There are grills located throughout the park where a charcoal fire can be lit to keep hot / warm. No electricity is available. Bring your own utensils to serve including the final touches such as cheese, crackers, chips, hot sauce, etc. Provided will be forks, spoons and the appropriate serving containers to dish out samples. Amount of food that needs to be made is 6 – 8 quarts.

Display: Decorate your area and have fun! Bring a 2 – 6ft tables set up to place your chili on unless your going to use a grill (please let Lisa know).
