### **7 Days Rafting on the Colorado River PLUS 2 Nights in Las Vegas!**

Join us for 7 days and 6 nights as we travel down the Colorado River, exploring the incredible Grand Canyon. Raft 188-miles from Lees Ferry to Whitmore Wash, and experience intense rapids, beautiful hikes, ancient ruins, waterfalls and memorable swimming spots. After each day's events, enjoy a plentiful and delicious feast made with love by your crew and relax at camp under the glowing stars beyond the canyon walls. On the last day of your trip, take a scenic helicopter ride out of the Canyon to Bar 10 Ranch, where you will say your goodbyes before boarding a fixed wing plane to return to Las Vegas, NV. A Colorado River trip is an active vacation in a wilderness environment. To ensure the best possible vacation, we recommend showing up with an adventure attitude ready to explore the hidden depths of the Grand Canyon. Days will be spent navigating the mighty Colorado River and veering off into hidden side canyons for a bit of exploring. Nights will be spent camping on sandy beaches or rocky ledges. There are no hotel accommodations or hot showers. The beauty of this type of vacation is the journey and discovery that comes along with it.
